

Federal Acquisition Regulation

52.214-35

52.214-33 Late Submissions, Modifications, and Withdrawals of Technical Proposals Under Two-Step Sealed Bidding (Overseas).

As prescribed in 14.201-6(v), insert the following provision:

LATE SUBMISSIONS, MODIFICATIONS, AND WITHDRAWALS OF TECHNICAL PROPOSALS UNDER TWO-STEP SEALED BIDDING (OVERSEAS) (AUG 1996)

(a) Any technical proposal under step one of two-step sealed bidding received at the office designated in this solicitation after the exact time specified for receipt will not be considered unless it is received before the invitation for bids in step two is issued and it—

(1) Was sent (i) by mail, or (ii) if authorized by the solicitation, was sent by telegram (including mailgram) or via facsimile, and it is determined by the Government that the late receipt was due solely to mishandling by the Government after receipt at the Government installation;

(2) Was transmitted through an electronic commerce method authorized by the solicitation and was received by the Government not later than 5:00 p.m. one working day prior to the date specified for receipt of technical proposals. The term “working day” excludes weekends and U.S. Federal holidays; or

(3) Is the only technical proposal received.

(b) Any modification of a technical proposal is subject to the same conditions as in paragraph (a) of this provision, except that (1) the use of a telegram (or mailgram) is authorized, and (2) if the solicitation authorizes facsimile bids, technical proposals may be modified via facsimile received at any time before the exact time set for receipt of bids under step two, subject to the conditions specified in the provision entitled *Facsimile Bids*.

(c) Technical proposals may be withdrawn by written notice or telegram (including mailgram) received at any time before the exact time set for receipt of bids under step two. If the solicitation authorizes facsimile bids, technical proposals may be withdrawn via facsimile received at any time before the exact time set for receipt of bids under step two, subject to the conditions specified in the provision entitled *Facsimile Bids*. Technical proposals may be withdrawn in person by the submitter or the submitter’s authorized representative if, before the exact time set for receipt of bids in step two, the identity of the person requesting withdrawal is established and that person signs a receipt for the technical proposal.

(d) The only acceptable evidence to establish the time of receipt at the Government installation is the time/date stamp of that installation on the proposal wrapper or other

documentary evidence of receipt maintained by the installation.

(e) If an emergency or unanticipated event interrupts normal Government processes so that technical proposals cannot be received at the office designated for receipt of technical proposals by the exact time specified in the solicitation, and urgent Government requirements preclude amendment of the solicitation or other notice of an extension of the closing date, the time specified for receipt of technical proposals will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume. If no time is specified in the solicitation, the time for receipt is 4:30 p.m., local time, for the designated Government office.
